# The Journey to the Cross

“Come, Follow Me.”

During Christmas, we celebrated the birth of Christ—the time when God came and dwelt among us. But his coming led to his death. During the season of Lent, we will remember our own failings and weaknesses with the assurance that though we cannot save ourselves, there is one who can save us. We will journey with Christ to the cross in our services together:

## **Easter Week Services:**

- Palm Sunday, March 20—We remember the triumphal entry into Jerusalem, and we also remember how quickly our lives can go from victory to defeat.
- Seder Meal, March 24th, 6pm. We will celebrate a Christian Passover meal together, through food, Scripture, and song.
- Good Friday service, March 25th, 6pm. We will walk through Christ's journey to the cross.
- Easter Sunday, March 27th—We will celebrate the resurrection of our Lord and Savior together!

*“The light shines in the darkness and the darkness has not overcome it.”*

- John 1:5

**A great headline for our church! This article appeared last Easter in the Warrensburg paper.**

# Pastors' Corner

Lent is one of my favorite seasons. (I know I said that about Advent too!) One of my favorite parts of Lent is the way it corresponds to the seasons. There is something powerful about celebrating the resurrection of Jesus—new life out of death—just as color is starting to return to the world around us. The sprouts coming from the ground, the buds appearing on trees, the flowers starting to bloom—during this season we cannot escape from the promise of new life!

But the season of Lent doesn't begin in the spring. It begins in the winter, when there is often snow still on the ground, when the days are still dark and cold. When we begin this season, we begin in faith that though death surrounds us, new life is coming soon—both in the natural world and in the spiritual world. During this season, we make a powerful statement of faith that “though outwardly we are wasting away, yet inwardly we are being renewed day by day” (2 Cor. 4:16).

In my personal life, I like to think of Lent as a chance to reorient my life. I often find myself discouraged and depleted in the dead of winter, but during this season, I welcome the new life of Christ into my spirit anew, by fasting, engaging in other spiritual disciplines, and by remembering that there is yet hope. May we all be reminded of the hope that we have during this season!

Spring will come again!

### Ash Wednesday Service: February 10th, 6:00pm

Ash Wednesday is the beginning of the season of Lent. We begin the season of Lent by coming together in humility to receive the mark of the cross as a symbol of our repentance. This will be a service of somber reflection through music, Scripture, and a short message on our inability to save ourselves and a reminder of our mortality. No matter how hard we try, we can't make it on our own. Sometimes we forget that, but on Ash Wednesday, we come together to acknowledge that reality again.

*A prayer for us to pray together:*

*“Lord, I don’t ask for much today. I just ask that you give me your heart for lost people.”*
